## SUGGESTED PREAMBLE

**Good morning. This is _____. My name is _____, located in _____, _____. I will be calling roll for the _____ portion of the Alaska-Pacific Emergency Preparedness Net. This is a roll call net. If you cannot hear net control, it will be appreciated if you wait until sweeps are made and do not call in the blind. Only break in if you have a contact, an emergency, or to help with a relay. We will pick up late, missed and visitor check-ins after roll call is complete. After checking into the net 4 times you can request to be added to the roster, and it will take 4 check-ins a month to remain on the roster. Please avoid tuning up on Net Frequency. Move 5 KHZ or more up or down. Are there any traffic listings or bulletins? Are there any mobile or low-power stations? Any relays? ROLL CALL FOLLOWS:**
